Letter of Recommendation for Mr. Li Shuairui

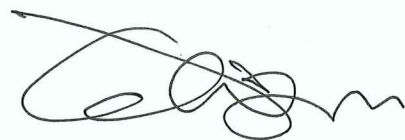

This is to certify that **Mr. Li Shuairui** served as a Teaching Assistant and Research Assistant in the Information Technology Assistant Training Program during the second semester of the 2025–2026 academic year (January 2026 to April 2026) at our academy. His performance during this period was outstanding, and we are pleased to offer this letter of recommendation.

In class, Mr. Li observed students' learning progress and interactions with the instructor, providing timely support. Working with young people with diverse special educational needs, he demonstrated patience and keen insight in identifying challenges during hands-on tasks. He offered practical suggestions and skillfully balanced guidance with opportunities for independent exploration, helping students build confidence in a safe and respectful environment.

Moreover, Mr. Li contributed valuable insights to special education pedagogy. He noted that traditional teacher-led assessments, while practical, may limit students' self-expression and growth, and proposed incorporating structured opportunities for students to showcase their own learning. This student-centered approach not only helped students feel valued but also offered new perspectives for the academy's teaching and curriculum evaluation practices.

With his gentle and professional demeanor, Mr. Li demonstrated genuine patience and sincerity toward students with special educational needs. His passion and insight in the field of special education are evident. We sincerely recommend him and believe that he will surely contribute his expertise in his future endeavors.

Respectfully recommended,

Tam Hon Shan Celia

Li Shuairui is proactive, reflective, and reliably supports both students and colleagues. He sought feedback regularly, showed genuine care for student progress, and exhibited a thoughtful, student-centered teaching style.

Li Shuairui has made a meaningful contribution to our students and our team, showing dedication, creativity, and empathy—all marks of an exceptional educator.

I am delighted to offer my highest recommendation without reservation and am confident Li Shuairui will be a valuable addition to your teaching staff.
